

# Coming in July: Sterling unit heaters

*Southern Refrigeration is now a stocking distributor of  
TF Series and GG Series units from Sterling.*

[www.sterlinghvac.com](http://www.sterlinghvac.com)

TF series—traditional unit heaters (natural gas only; conversion kit sold separately fits all TF sizes), series includes a TF100 and TF125

GG Series—low profile unit heaters (natural gas only; conversion kit for LP is included)
