New Products and Features!

Malco TurboCrimper

Part #: C5A2

The TurboCrimper from Malco is a simple compact accessory that works exclusively with the power assistance of impact driver technology to efficiently crimp 30 to 24 gauge galvanized round duct and black stove pipe.

Features include:

- The TurboCrimper Impact is 5 times faster than a manual sheet metal crimper.
- Saves time and labor on your next job.
- No setup or adjustment is needed, just chuck up and go.
- Easily stored in a bag or pouch when not in use.
