Part-A-Blaster by Zephyr Components

Part#: ZPB140

Southern Refrigeration now stocks the Part-A-Blaster, a coil cleaning machine that blasts dirt from evaporator and condenser coils. This device is easy to carry, great for mini split indoor coils and outdoor coils, and is calibrated to prevent fin damage.

Scotsman Ice Machine Training Classes

Southern Refrigeration and Empire Marketing Group will be hosting service training classes for Scotsman ice machines during March 26-28. Click the link below to find more information as well as locations:
