NEW Gates Belt Quick-Link
Emergency V-Belts

Part#: A/4L , B/5L

Southern Refrigeration now stocks the Quick-Link Emergency V-Belts by Gates Corporation. These drop-in replacements for classical section V-belts offer the ability to make any length by hand, industry standard power ratings, as well as easy installation. They are also highly resistant to oil, grease, water, and other various chemicals.

Contact your local SRC sales rep for

more information today.

Milwaukee Tools Promotions!

Southern Refrigeration is currently running Milwaukee Tools promotions from August through October.
